Telecommunication

A Flock of Seagulls

Ultraviolet, Radio light

To your solar system

On a beam of light. This is telecommunication,

Telecommunication

Telecommunication,

TelecommunicationLaser beam

Coming through the night

To my T.V. screen,

To my color eye. This is telecommunication,

Telecommunication

Telecommunication,

Telecommunication

Video screen,

Silver page,

With a new calibration

For the nuclear age. This is telecommunication,

Telecommunication

Telecommunication,

TelecommunicationThis is telecommunication,

TelecommunicationTelecommunication,

TelecommunicationThis is telecommunication,

Telecommunication

Telecommunication,

Telecommunication

Telecommunication,

Telecommunication,

Telecommunication,

TelecommunicationTyped by John Manfreda

Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
