

Pulse of the Maggots

Slipknot

This is the year where hope fails you
The test subjects run the experiments
And the bastards you know, is the hero you hate
But cohesing is possible if we try
There's no reason, there's no lesson
No time like the present, telling you right now
What have you got to lose, what have you got to lose
Except your soul? Who's with us? I fight for the unconventional
My right, and it's unconditional
I can only, be as real as I can
The disadvantage is, I never knew the plan
This isn't the way just to be a martyr
I can't, walk alone any longer
I fight, for the ones that can't fight
And if I lose, at least I tried
We, we are the new diabolic
We, we are the bitter bucolic
If I have to give my life you can have it
We, we are the pulse of the maggots I won't, be the inconsequential
I won't, be the wasted potential
I can make it, as severe as I can
Until you realize, I'll never take a chance
It isn't, just a one sided version
We've dealt, with a manic subversion
And I won't, let the truth be perverted
And I won't leave another victim deserted We, we are the new diabolic
We, we are the bitter bucolic
If I have to give my life you can have it
We, we are the pulse of the maggots
Do you understand?
(Yes)
Do you understand?
(Yes)
Do you understand?
(Yes)
Do you understand?
(Yes) Say it again, say it again
(We won't die)
Say it again, say it again
(We won't die)
Say it again, say it again
(We won't die)

Say it again, say it again
(We won't die) Say it again, say it again
(We won't die)
Say it again, say it again
(We won't die)
Say it again, say it again
(We won't die)
Say it again, say it again
(We won't die) We fight, so no one can fight us
We live, and no one can't stop us
We pull, when we push too far
And the advantage is, the bottom line is
We never, had to fight in the first place
We only, had to spit back at their face
We won't, walk alone any longer
What doesn't kill us, only makes us stronger We, we are the new diabolic
We, we are the bitter bucolic
If I have to give my life you can have it
We, we are the pulse of the maggots Do you understand?
(Yes)
Do you understand?
(Yes)
Do you understand?
(Yes)
Do you understand?
(Yes)
Say it again, say it again
(We won't die)
Say it again, say it again
(We won't die)
Say it again, say it again
(We won't die)
Say it again, say it again
(We won't die)
