Dirty Water

album: Joyful Rebellion (2004)

CHORUSI don't know where I'm coming from

Only know where I belong

There's dirty water in my bong

She... I know she will follow me

But she ain't got no sympa...

She ain't got no sympathy, and I got soul but no money

She ain't got no sympathy, and I got soul but no money

Alright, okay, yeah

Alright, okay, yeah

Alright, okay, yeahVERSE

At the age of eighteen,

came on the scene clean,

now I know what pains means.

Spent time in the darkest places,

beautiful faces in the dark oasis.

Trying to take this to the full extent.

Am I real heaven sent?

Clark Kent's my alter ego.

Took that girl down to Puerto Rico.

Now I find out that we're not amigos.

Treated her foul never as an equal

Now I'm all sad just because my ego,

Had a golden key, couldn't find a key hole.

Yo, stop let the beat rock,
conscious hip hop is gettin dropped.

Wake up saw B and the little one,
little son had b-phids done.

Easy come, easy go.

Everyone thinks they know,

'bout the thing, high unknown.

Put their thoughts on a throne,

then they name it G-O-D,

colonize, you and me.

But I'm free, in the sky,

me, myself, and I. Word.

CHORUSI don't know where I'm coming from

Only know where I belong

There's dirty water in my bong

She... I know that she will follow me

But she ain't got no sympa...
She ain't got no sympathy, and I got something on my knee
She ain't got no sympathy, and I got something on my knee
Alright, okay, yeah
Alright, okay, yeah
Alright, okay, yeah
VERSE I was walkin down the mountainside.
No matter what I did I couldn't hide,
from all the things inside of me.
Seems that I was living fantasy,
singing, oh, how time flies, with crystal clear eyes.
This life I know is gone.
Oh, how time flies, with crystal clear eyes.
This girl I like is gone, and now I leave home.
She ain't got no sympathy, and I got something
on my knee
She ain't got no sympathy, and I got something on my knee
