

# Replay

## Zendaya

Make it stop, sounds so good  
I just can't take no more  
Turn it down, turn it up, I don't know  
I don't know (know) But don't stop, don't move  
Just keep it there (right there)  
Keep it right there (I wanna) put you on repeat, play you everywhere I go  
E-E-Everywhere I go, play you everywhere I go  
Put you on repeat, play you everywhere I go  
E-E-Everywhere I go, play you everywhere I go Yeah, wanna put this song on replay  
I can listen to it all day  
I can listen to you all day  
Hear you all day  
Yeah, wanna put this song on replay  
We can start all over again and again  
Yeah, I wanna put this song on replay  
Don't stop  
Turn it on, turn it up, make it louder  
I don't want to miss a single thing  
I want to hear every melody (yeah) B-b-b-b-beatin'  
Beatin' so loud you can feel it  
B-b-b-b-beatin'  
Beatin' for you (I wanna) put you on repeat, play you everywhere I go  
E-E-Everywhere I go, play you everywhere I go  
Put you on repeat, play you everywhere I go  
E-E-Everywhere I go, play you everywhere I go Yeah, wanna put this song on replay  
I can listen to it all day  
I can listen to you all day, you all day  
Yeah, wanna put this song on replay  
We can start all over again and again  
Yeah, wanna put this song on replay  
Feel it all, feel it all crashing down  
I'm so lost, I'm so lost in your sound (Yeah, put this song on replay) Put this song on  
(On replay)  
(Lis-Listen to you all day) to you all day Yeah, wanna put this song on replay  
I can listen to you all day  
I can listen to you all day, you all day  
Yeah, wanna put this song on replay  
We can start all over again and again  
Yeah, wanna put this song on replay Yeah
