

This Ain't Goodbye

Train

You and I, we're friends from outer space
 Afraid to let go
The only two who understood this place
 And as far as we know
 We were way before our time
 As bold as we were blind
 Just another perfect mistake
 Another bridge to take
 On the way to letting go
 This ain't goodbye
 This is just where love goes
When words aren't warm enough
 To keep away the cold
 Oh no, this ain't goodbye
 It's not where our story ends
 But I know you can't be mine
 Not the way you've always been
 As long as we've got time
 Then this ain't goodbye
Oh no, this ain't goodbye We were stars up in the sunlit sky
 That no one else could see
Neither of us thought to ever ask why
 It wasn't meant to be
 Maybe we were way too high
 To ever understand
 Baby, we were victims of all
 All the foolish plans
 We began to divide
 But this ain't goodbye
 This is just where love goes
When words aren't warm enough
 To keep away the cold
 Oh no, this ain't goodbye
 It's not where our story ends
 But I know you can't be mine
 Not the way you've always been
 As long as we've got time
 This ain't goodbye
Oh no, this ain't goodbye Na na na
 Na na na
 Na na na
This ain't goodbye You and I, we're friends from outer space

Afraid to let go
The only two who understood this place
And as far as we know This ain't goodbye
Oh no, this ain't goodbye
This ain't goodbye
Oh no, this ain't goodbye
This ain't goodbye
This is just where love goes
When words aren't warm enough
To keep away the cold
Oh no, this ain't goodbye
It's not where our story ends
But I know you can't be mine
Not the way you've always been
Oh no, don't say it Na na na
Na na na
Na na na
Don't say goodbye
