

# One

## Ed Sheeran

Tell me that you'd turn down the man  
Who asks for your hand  
'Cause you're waiting for me  
And I know  
You're gonna be away a while  
But I've got no plans at all to leave  
Would you take away my hopes and dreams  
And just stay with me?  
All my senses come to life  
While I'm stumbling home as drunk as I  
Have ever been and I'll never leave again  
'Cause you are the only one  
And all my friends have gone to find  
Another place to let their hearts collide  
Just promise me, you'll never leave again  
'Cause you are the only one  
Take my hand and my  
Heart and soul, I will  
Only have these eyes for you  
And you know,  
Everything changes but  
We'll be strangers if we see this through  
We could stay within these walls and bleed  
Or just stay with me?  
All my senses come to life  
While I'm stumbling home as drunk as I  
Have ever been and I'll never leave again  
'Cause you are the only one  
And all my friends have gone to find  
Another place to let their hearts collide  
Just promise me, you'll always be a friend  
'Cause you are the only one  
Stumbling half drunk  
Getting myself lost  
I am so gone  
So tell me the way home  
I listen to sad songs  
Singing about love  
And where it goes wrong  
All my senses come to life  
While I'm stumbling home as drunk as I  
Have ever been and I'll never leave again  
'Cause you are the only one  
And all my friends have gone to find  
Another place to let their hearts collide  
Just promise me, you'll always be a friend  
'Cause you are the only one
