

My Little Japanese Cigarette Case

Spoon

It's just my Japanese cigarette case
Bring a mirror to my face
Let all my memories be gone
Bring me my Japanese cigarette case
Bring a mirror to my face
Let all my memories be gone
Let the memories be gone
Bring me my Japanese cigarette case
Then break a mirror to my face
Let all my memories be gone
It's just my Japanese cigarette case
Bring a mirror to my face
Let all my memories be gone
