

Save Today

Seether

Well fortune favors not the young
Spoken words and songs unsung
Right?

I never learn from my mistakes
I guess I don't have what it takes
Right?

I wish that I was strong
That I could walk away
All this time I've lost
I feel the cost we paid
So save today

The secrets that you prayed for
And wait
'Cause we deserve it so much more
So save
The secrets that you prayed for
Awake

I'll see you on the other side
A tortured soul have I become
It keeps me safe and leaves me numb
Right?

Cause in this dream I'm wide awake
The one I love I did forsake
Right?
I wish that I was wrong
That you'll come home again
All this time I've lost
I'll never find again
So save today

The secrets that you prayed for
And wait
'Cause we deserve it so much more
So save

The secrets that you prayed for
Awake
I'll see you on the other side
Say can you help me now
Say can you help me now
Say can you help me now
Say can you help me now
So save today

The secrets that you prayed for
And wait
'Cause we deserve it so much more
So save
The secrets that you prayed for

Awake
I'll see you on the other side
So save today
The secrets that you prayed for
And wait
'Cause we deserve it so much more
So save
The secrets that you prayed for
Awake
I'll see you on the other side...
