## Dire Straits

I seen a girl on a one-way corridor  
Stealing down a wrong-way street  
For all the world like an urban toreador  
She had wheels on, on her feet  
Well, the cars do the usual dances  
Same old cruise and the curbside crawl  
But the roller girl, she's taking chances  
They just love to see her take them all  
No fear alone at night, she's sailing through the crowd  
In her ears the phones are tight, and the music's playing loud  
Hallelujah, here she comes, queen rollerball  
And enchanté, what can I say, don't care at all  
You know, she used to have to wait around  
She used to be the lonely one  
But now that she can skate around town  
She's the only, only one  
No fear alone at night, she's sailing through the crowd  
In her ears those phones are tight, and the music's playing loud  
She gets rock 'n' roll and a rock  
'n' roll station  
And a rock 'n' roll dream  
She's making movies on location  
She don't know what it means  
And the music make her wanna be the story  
And the story was whatever was the song, what it was  
Roller girl, don't worry  
D.J. play the movies  
All night long, all night long  
She tortures taxi drivers just for fun  
She likes to read their lips  
She says, "toro, toro, taxi, see ya tomorrow, my son"  
I swear, she let a big truck graze her hip  
Aw, she got her own world in the city, yeah  
You can't intrude on her, no, no, no, no  
She got her own world in the city  
The city's been so rude to her  
No fears alone at night, she's sailing through the crowd  
In her ears those phones so tight, and the music's playing loud  
She gets rock 'n' roll and a rock  
'n' roll station  
And a rock 'n' roll dream  
She's making movies on location  
She don't know what it means  
But the music make her wanna be the story  
And the story was whatever was the song, what it was  
Roller girl, don't worry  
D.J. play the movies

All night long, all night long Slippin' and a-slidin'  
Yeah, life's a rollerball  
Slippin' and a-slidin'  
Skateaway, that's all  
Skateaway  
Sha-la sha-lay, hey, hey  
Skateaway  
Now, sha-la sha-lay, hey, hey  
She's singing sha-la sha-lay, hey, hey  
Skateaway Oh, sha-la sha-lay, hey, hey
