

# Batshit

Sofi Tukker

Oh, you're bad enough to me  
Bad enough that we always have something to get over  
Oh, you dress up so happy  
Lookin' so fancy  
I got that salted chip on my shoulder  
Oh, but when the night is deep  
You find me in the streets  
Asking me to come over Batshit, batshit  
Batshit  
I'm batshit crazy I'm batshit crazy Batshit, batshit  
Batshit  
I'm batshit crazy  
Batshit, batshit  
Batshit Oh, but when the night is deep  
You find me in the streets  
Asking me to come over I'm batshit crazy Batshit, batshit, batshit, batshit crazy  
Batshit, batshit, batshit, batshit crazy  
Batshit, batshit, batshit, batshit crazy  
Batshit, batshit, batshit, batshit crazy  
Batshit, batshit, batshit, batshit crazy Oh, you're bad enough to me  
Bad enough that we always have something to get over  
Oh, you dress up so happy  
Looking so fancy  
I got that salted chip on my shoulder  
Oh, but when the night is deep  
You find me in the streets  
Asking me to come over  
Batshit, batshit  
Batshit  
I'm batshit crazy Batshit, batshit  
Batshit  
I'm batshit crazy Batshit, batshit  
Batshit  
I'm batshit crazy Batshit, batshit  
Batshit  
I'm batshit crazy
