

# Let It Go

## Betraying the Martyrs

The snow glows white on the mountain tonight  
Not a footprint to be seen  
A kingdom of isolation and it looks like I'm the king  
The wind is howling like this swirling storm inside  
Couldn't keep it in, heaven knows I tried  
Don't let them in, don't let them see  
Be the good boy you always have to be  
Conceal, don't feel, don't let them know  
Well now they know  
Let it go, let it go  
Can't hold it back anymore  
Let it go, let it go  
Turn away and slam the door  
I don't care what they're going to say  
Let the storm rage on  
The cold never bothered me anyway.  
It's funny how some distance  
Makes everything seem small  
And the fears that once controlled me  
Can't get to me at all  
Up here in the cold thin air I finally can breathe  
I know I've left a life behind but I'm too relieved to grieve!  
It's time to see what I can do  
To test the limits and break through  
No right, no wrong, no rules for me,  
I'm free  
Let it go, let it go  
I am one with the wind and sky  
Let it go, let it go,  
You'll never see me cry  
Here I stand and here I'll stay  
Let the storm rage on...  
My power flurries through the air into the ground  
My soul is spiraling in frozen fractals all around  
And one thought crystallizes like an icy blast  
I'm never going back  
The past is in the past  
Let it go, let it go  
And I'll rise like the break of dawn  
Let it go, let it go  
That perfect boy is gone  
Here I stand in the light of day  
Let the storm rage on  
The cold never bothered me anyway!
