

# Heartstrings

## Leighton Meester

Doing fine all on my own  
'Cause I know now this is right for me  
Now you're feelin' all alone  
I heard you're sorry now, but that's what you wanted  
You took me for granted  
At all the time  
Tie my heartstrings  
I tie my heartstrings off  
Tie my heartstrings  
I tie my heartstrings off  
Had to save my heart, save from all your evil games  
And now we ain't the same, oh  
You will have no such luck to try to come inside  
Heading to be denied  
Now you know I'm doing well  
You try to catch me when I'm finally free  
You only did this to yourself  
I bet you're sorry now, but that's what you wanted  
You took me for granted  
At all the time  
Tie my heartstrings  
I tie my heartstrings off  
Tie my heartstrings  
I tie my heartstrings off  
Had to save my heart, save from all your evil games  
And now we ain't the same, oh  
You will have no such luck to try to come inside  
Heading to be denied  
I was fighting for you  
Now I just pity, pity you fool, oh  
Had to save my heart, save from all your evil games  
And now we ain't the same, oh  
You will have no such luck to try to come inside  
Heading to be denied  
Tie my heart strings  
I tie my heart strings off
