

Even If It Is So

Q-Tip

She work at Mickey D's from 9 to 5, Walmart 6 to 10
Saving up enough for school, her little girl is doing well
Daddy is a walking bum, smoking weed, drinking rum
Couldn't leave her if I tried, I see her light is on inside
Let's build She's in the back room,
greasing up, Friday night is heating up
Young cats tricking up, dancing so they give it up
The best girl working there and you know for what it's worth
She's working towards a better life, regardless if she's working nights
Let's build
And the people go
Bom-bom-de-bom-de-bom-bom
Bom-bom-de-bom-de-bom-bom
Bom-bom-de-bom-de-bom-bom
Bom-bom-de-bom-de-bom-bom
And even if she is
I dig her so
De-bom-bom-de-bom-de-bom-bom
De-bom-bom-de-bom-de-bom-bom
De-bom-bom-de-bom-de-bom-bom
De-bom-bom-de-bom-de-bom-bom
And even if she is
I dig her so
