

# Sober

## Mahalia

You've been on my mind for a while now  
Tryna get you off cos this ain't right now  
You said it was a vibe for the time being  
It was nothing more but I just couldn't see it  
This is not a song for the whole world  
Felt like it could've been us against the whole world  
Maybe you were mine and I was your girl  
Whatever happened to the time that we spent
