

# Eat You Up

## BoA

When I first saw you I knew nothings like it's used to be  
Boy you have got to be the finest thing in history  
The way I feel inside is just so hard to understand  
You feed my appetite in ways I can't explain I'll eat you up

(your love your love)

I'll eat you up

(your love your love)

(Woah)

I'll eat you up

(Woah)

So yum yum

(Woah)

Can't get enough

(Woah oh oh)

I think I'm in love

If you move any closer boy there is no guarantee  
What I will do to you I fear it and it's scaring me  
Like I've become some kind of demon in the night  
You look so tasty and I could eat you up alive I'll eat you up

(your love your love)

I'll eat you up

(your love your love)

(Woah)

I'll eat you up

(Woah)

So yum yum

(Woah)

Can't get enough

(Woah oh oh)

I think I'm in love

I'll eat you up

(your love your love)

I'll eat you up

(your love your love)

(Woah)

I'll eat you up

(Woah)

So yum yum

(Woah)

Can't get enough

(Woah oh oh)

I think I'm in love Can't stop thinking 'bout the things I wanna do to you

If you move any closer you'd be asking for it too  
I want your love  
I need your touch  
So much I think I'm in love I'll eat you up  
(your love your love)  
(Woah)  
I'll eat you up  
(Woah)  
So yum yum  
(Woah)  
Can't get enough  
(Woah oh oh)  
I think I'm in love I wanna take you to my room  
Wanna take you to my room (Woah)  
I'll eat you up  
(Woah)  
So yum yum  
(Woah)  
Can't get enough  
(Woah oh oh)  
I think I'm in love (I'll eat you up)  
(I'll eat you up)  
(I'll eat you up)  
(I'll eat you up)
