

# Scare Away the Dark

## Passenger

Sing, sing at the top at your voice  
Love without fear in your heart  
Yeah and feel, feel like you still have a choice  
If we all light up we can scare away the dark  
We wish our weekdays away  
Spend our weekends in bed  
Drink ourselves stupid  
And work ourselves dead  
Or just because that's what mom and dad said we should do  
We should run though the forest  
We should swim in the sea  
We should laugh, we should cry  
we should love, we should dream  
We should stare at the stars and not just at screens  
You should hear what I'm saying and know what it means  
To sing sing at the top at your voice  
Love without fear in your heart  
Yeah and feel, feel like you still have a choice  
If we all light up we can scare away the dark  
Yeah we wish we were happier, thinner and fitter  
We wish we weren't losers and liars and quitters  
We want something more, not just nasty and bitter  
We want something real, not just hashtags and Twitter  
It's the meaning of life and it's streamed live on YouTube  
But I guess gangnam style will still get more views  
We're scared of drowning, flying and shooters  
But were all slowing dying in front of fucking computers  
So, sing at the top at your voice  
Love without fear in your heart  
Can you feel, feel like you still have a choice  
When we all light up we can scare away the dark  
Oh, oh oh, oh, oh oh no  
Oh, oh oh, oh, oh oh no  
Oh, oh oh, oh, oh oh no  
Sing loud now  
Oh, oh oh, oh, oh oh no  
Oh, oh oh, oh, oh oh no  
Sing loud now  
Oh, oh oh, oh, oh oh no  
Oh, oh oh, oh, oh oh no  
Sing loud now  
Oh, oh oh, oh, oh oh no  
Oh, oh oh, oh, oh oh no  
Sing, sing at the top of your voice  
Love without fear in your heart  
Feel, feel like you still have a choice  
If we all light up we can scare away the dark
