

No Way

Sonic Youth

sweet temptation came today
time for angels to kneel and pray
i saw you hangin with the devil
evil nature frozen grave
renounce yr lies sweet succubi-oh no
i don't care i don't wanna hear it
cuz i'm not talkin to you no more
and i'm never gonna shadow yr door-
no wayu know u hrt me once
and you know ull never hurt me again
cuz i'm sick of all yr games
you can't trick my love w/sin
sinners lie i will never die-i said no
i don't care i don't wanna hear it
cuz i'm not talking to you no more
and i'm never gonna shadow yr door-
no way

sweet temptation came today
time for angels to kneel and pray
yr black wings r bound in chains
as i swoop into yr grave
werewolf kommandos poison tongue-i said no
i don't care i don't wanna hear it
cuz i'm not talkin to you no more
and i'm never gonna shadow yr door-
no way
