

# One Last Song

[Sam Smith](#)

Maybe one day I won't sing about you  
I'll sing a song about someone new  
But right here, right now, you are on my mind  
And I think about you all the time I'm sending a message to you  
And I'm hoping that it will get through When it was good, it was bittersweet, honey  
You made me sad 'til I loved the shade of blue  
I know you don't want to talk to me, so this is what I will do  
Maybe you're listening, so here's one last song for you  
Here's one last song for you  
And I hope it makes you feel  
And I hope it makes you burn  
And I hope it reminds you of how much it hurt I'm sending a message to you  
And I'm hoping that it will get through When it was good, it was bittersweet, honey  
You made me sad 'til I loved the shade of blue  
I know you don't want to talk to me, so this is what I will do  
Maybe you're listening, so here's one last song for you In case you hear this, then know you're  
the love of my life  
Want to tell you I'm sorry, I miss having you by my side  
When you were mine  
When it was good, it was bittersweet, honey  
You made me sad 'til I loved the shade of blue  
I know you don't want to talk to me, so this is what I will do  
Maybe you're listening, so here's one last song for you  
Here's one last song for you
