

# Drowning

Chris Young

Still got your number in my phone  
And even though you don't wanna listen  
I still call and wait till the tone  
Just to hear you saying "Leave a message"  
Since you've been gone I've had to find  
Different ways to grieve  
There's days that I don't even want it on my mind  
But tonight I'm awake So I'm gonna pull out pictures, ones with you in 'em  
Laugh and cry a little while reminiscing  
By myself, I can't help, that all I think about is  
How you were taken way too soon  
It ain't the same here without you  
I gotta say, missin' you comes in waves  
And tonight I'm drowning  
Yeah I know you're in a better place  
And one day I'll see you again  
But it's killing me we can't be face to face  
I miss my best friend So tonight I'm gonna pull out pictures, ones with you in 'em  
Laugh and cry a little while reminiscing  
By myself, I can't help, that all I think about is  
How you were taken way too soon  
It ain't the same here without you  
I gotta say, missin' you comes in waves  
And tonight I'm drowning  
Yeah tonight I'm drowning I know it's a part of life  
But I wasn't ready to say goodbye  
So tonight I'm gonna pull out pictures, ones with you in 'em  
Laugh and cry a little while reminiscing  
By myself, I can't help, that all I think about is  
How you were taken way too soon  
It ain't the same here without you  
I gotta say, missin' you comes in waves  
And tonight I'm drowning  
Yeah tonight I'm drowning
