

# Water

## Ugly God

I drip on your bitch like water  
I splash on your bitch with the water  
I feel like I'm 21 Savage  
I pull up and fuck on your daughter  
I pull up and fuck on your daughter  
Water water water water water water water water  
I drip on your bitch like water  
I splash on your bitch with the water  
Water water water water  
Water on my bitch I keep her wet like my cellphone  
Bitches on me dark skins and the redbones  
Ugly God wrap your bitch up like some headphones  
You say I ain't shit bitch I'm ugly god i'm well known  
I ain't got time for no wife, yeah  
Lmfao you kiss bitches I pipe, yeah  
Bitch I feel like Yachty just give me one night, yeah  
And if she gay I tell her i'm a fucking dike yeah  
Yeah bitch i'm a dike  
Strapped up like a dike  
Man made like a dike  
Boosie faded like a dike  
Niggas trynna join the wave  
Pussy nigga take a hike  
Your bitch my slave  
Bitch I'm balling like Mike  
Bitch I'm balling like Mike  
I drip on your bitch like water  
I splash on your bitch with the water  
I feel like I'm 21 Savage  
I pull up and fuck on your daughter  
I pull up and fuck on your daughter  
Water water water water water water water water  
I drip on your bitch like water  
I splash on your bitch with the water  
Water water water water
