

Free Woman

Lady Gaga

(Be free)I'm walking downtown to my sound
No-one knows me yet, not right now
But I'm 'bout to set
This feeling, in motion
Watch, watch me now, electric, devotionI see that I want it, want it (Be free)
Don't fight it, fight it
But if I'm gonna go for it
(I remember that, that I)
I see that I want it, want it (Be free)
Don't fight it, fight it
But if I'm gonna go for it
(I remember that, that I)
I'm not nothing without a steady hand (Hand)
I'm not nothing unless I don't care (Be free, don't care)
I'm still something if I don't got a man
I'm a free woman
Oh-oh (Be free)This is my dancefloor I fought for
Ain't hard, know what I'm livin' for (Be free)
Light up my body
And kiss me too heartily (Be free)
This time, I'm only listening to meI see that I want it, want it (Be free)
Don't fight it, fight it
But if I'm gonna go for it
(I remember that, that I)
I see that I want it, want it (Be free)
Don't fight it, fight it
But if I'm gonna go for it
(I remember that, that I)
I'm not nothing without a steady hand (Hand)
I'm not nothing unless I don't care (Be free, don't care)
I'm still something if I don't got a man
I'm a free woman
Oh-oh (Be free)I'm a free woman
I'm a free woman (Be free)
I'm a free woman
I'm a free woman
Oh-oh (Be free)I want, want to be, be, be, free, free, free, forever, baby
I want, want to be, be, be, free, free, free, forever, baby (Be free, oh yeah, yeah)
I want, want to be, be, be, free, free, free, forever, baby
I want, want to be, be, be, free, free, free, forever, baby (Be free, oh yeah, yeah)I'm not nothing
without a steady hand (Hand)
I'm not nothing unless I don't care (Be free, don't care)

I'm still something if I don't got a man
I'm a free woman (Ooh)
Oh-oh (Be free)I'm a free woman
I'm a free woman (Be free)
I'm a free woman
I'm a free woman
Oh-oh (Be free)I'm a free woman
I'm a free woman (Be free)
I'm a free woman
I'm a free woman
Oh-oh (Be free)
