

Call Me (Come Back Home)

Al Green

Call Me (Come Back Home)

Al Green

(Al Green - Willie Mitchell - Al Jackson)

Call me call me call me

What a beautiful time we had together

Now it's gettin' late and we must leave each other

Just remember the time we had

And how right I tried to be

It's all in a day's work

Call me

Losing your love, acting foolishly

Go on and take your time 'cause you're only losing me

Love is a long ways from here

Tell you it's all in the way you feel

If your love is real

Come to me

Call me call me call me come back home

The best thing I can do is give back your love

Let you go away feelin' free as a dove

If you find you're a long ways from home

And somebody's doing you wrong

Just call on me baby

And come back home

Call me call me call me come back home
