

# Queen

## Raheem DeVaughn

(oh oh oh oh oh oh oh ohoh)  
You're a natural superwoman  
You're every daughter that becomes a mother  
And you can be my ride to the highest mountain top  
From my head to my toes to cherish love it holds  
You're my Queen  
(queen, queen, queen, queen)  
You give birth to all the lan'  
You're the backbone of every man  
You're my Queen  
(queen, queen, queen, queen)  
You wear the crowning very well  
I hold my head high so you can tell  
You're my Queen  
You're my Queen  
(forever, ever, ever, ever)  
You're my queen  
You're a captain love, and just like grandma's do  
You're the voice, you're the push for all my dreaming to  
So I cherish you, like royalty  
And by all it mean I never put my hands on iy  
Cause you're my Queen  
(queen, queen, queen, queen)  
You gave birth to all the lan'  
You're the backbone of every man  
You're my Queen  
(queen, queen, queen, queen)  
You wear the crowning very well  
I hold my head high so you can tell  
You're my Queen  
You're my Queen (babe)  
I never wanna be your enemy  
That mean with sensitivity  
To you a grown strong woman  
And I'll never gonna call you out your name  
The man made this and them made that the end of time a well known fact  
But hone the prettiest thing a furtue of a woman  
You're my Queen  
(queen, my my my queen)  
You gave birth to all the lan'  
You're the backbone of every man  
You're my Queen

(queen, queen, queen, queen)  
You wear the crowning very well  
I hold my head high so you can tell  
You can be my daughter, you can be my wife  
My virtue of a woman, my rock my body right  
You gave birth to all the land, you're the backbone of every man babe  
So I won't never call you out your name babe  
You're my Queen, you're my hearth, you're my love, you're my (queen)  
You gave birth to all the land, you're the backbone of every man  
You're my Queen, you're my love, you're my hearth, you're my (queen)  
You wear the crowning very well, I hold my head high so you can tell  
You're my Queen  
(queen, queen, queen)! QUEEEEEEEEEEN
