

# Somebody Needs a Hug

Keith Anderson

I think it's safe to say you've had a bad day  
And somethin' even tells me  
Maybe I should stay away  
But I can't, I'm livin' dangerously  
Baby, call me crazy  
I think I know what you need  
Girl, I've got your remedy  
Somebody needs a hug, a little personal attention  
Some good ol' lovin' and affection  
Yeah, I'm talkin' full body, good Lord Almighty  
Woah, c'mon and get you some  
You need to be wrapped up  
Snug as a bug in a rug  
A big ol' teddy bear squeeze  
Where you can barely breathe  
Somebody needs a hug  
I see you're not convinced  
You're still on defense  
And I'd be wise to disappear if I had any sense  
But I don't, no obviously  
I think I can fix it  
Baby, don't resist it  
Darlin', it's easy to see  
Somebody needs a hug, a little personal attention  
Some good ol' lovin' and affection  
Yeah, I'm talkin' full body, good Lord Almighty  
Woah, c'mon and get you some  
You need to be wrapped up  
Snug as a bug in a rug  
A big ol' teddy bear squeeze  
Where you can barely breathe  
Somebody needs a hug  
Oh, that's what I'm talkin' about  
A little snuggle time  
You start to smile and you're bitin' your lip  
And girl, I know what that means  
You're walkin' over, you're gettin' closer  
Looks like you finally see  
Somebody needs a hug, a little personal attention  
Some good ol' lovin' and affection, woah  
I'm talkin' full body, good Lord Almighty  
Woah, c'mon and get you some  
You need to be wrapped up  
Snug as a bug in a rug  
A big ol' teddy bear squeeze  
Where you can barely breathe  
Somebody needs a hug  
A big ol' teddy bear squeeze  
Where you can barely breathe  
Somebody needs a hug, ooh yeah, oh yeah
