

Silver Lining

Kacey Musgraves

Woke up on the wrong side of rock bottom
Throw a lot of pennies in a well
That done run dry
Light up and smoke 'em if you have 'em
But you just ain't got 'em
Yeah ain't we always looking
For a bluer sky If you're ever gonna find a silver lining
It's gotta be a cloudy day
It's gotta be a cloudy day
If you wanna fill your bottle up with lightning
You're gonna have to stand in the rain
You're gonna have to stand in the rain
Hoo hoo hoo
Hoo hoo hoo
Hoo hoo hoo
Hoo If lemonade keeps turning into lemons
And you wear your heart on a ripped
Unraveled sleeve
Been run through the wringer
And pushed on to your limit
Say you're just unlucky
But luck ain't what you need 'Cause if you're ever gonna find
A four leaf clover
You gotta get a little dirt on your hands
You gotta get a little dirt on your hands
And if you wanna find a head
That fits your shoulder
You're gonna have to go to the dance
You're gonna have to go to the dance
If you wanna find the honey
You can't be scared of the bees
And if you wanna see the forest
You're gonna have to look past trees If you're ever gonna find a silver lining
It's gotta be a cloudy day
It's gotta be a cloudy day
If you wanna fill your bottle up with lightning
You're gonna have to stand in the rain
You're gonna have to stand in the rain Hoo hoo hoo
Hoo hoo hoo
Hoo hoo hoo
Hoo Hoo hoo hoo
Hoo hoo hoo

Hoo hoo hoo

Hoo, hoo, hoo
