

Hollywood

Jonas Brothers

As time was ticking
We were winning
And it all was going as planned
Politicians stand between the lines
Of making headlines, street signs
Saying you're going the wrong way, fading faster now
You can try to break us and make us fall
apart
But the fire's in our hearts
Reminisce on the memories cuz we're gone
And don't forget to hold back your thoughts
And live like robots cuz we all know what goes on
Reminisce on the memories cuz we're gone, we're gone, so gone
Fallen soldiers, all around us
But we're still standing strong
Embarrassing and contradicting
Cuz now we're making headlines, prime time
Saying, what a story, billboards, packed tours, don't forget
You can try to break us and make us fall apart
But the fire's in our hearts
Reminisce on the memories cuz we're gone
And don't forget to hold back your thoughts
And live like robots cuz we all know what goes on
Reminisce on the memories cuz we're gone, we're gone, so gone
And game over, you're done,
ooh
Out of left field, we won
And pack our bags, yeah, we'll run
Hollywood, here we come
You can try to break us and make us fall apart
But the fire's in our hearts
Reminisce on the memories cuz we're gone
And don't forget to hold back your thoughts
And live like robots cuz we all know what goes on
Reminisce on the memories cuz we're gone, we're gone, so gone
You can try to break us and make us fall apart
But the fire's in our hearts
Reminisce on the memories cuz we're gone
