

Alone Again

The Weeknd

Take off my disguise
I'm living someone else's life Suppressing who I was inside So I throw 2000 ones in the sky
Together we're alone
In Vegas I feel so at home
I'm falling only for the night
So I throw 2000 ones in the sky
How much to light up my star again
And rewire all my thoughts?
Oh baby, won't you remind me what I am?
And break, break my little cold heart
Call me up and I'll send for you Take me down to your altitude
I don't know if I can be alone again
I don't know if I can sleep alone again Check my pulse for a second time
I took too much, I don't wanna die
I don't know if I can be alone again
I don't know if I can sleep alone again
Count it up, it's all for you, count it up
Count it up, it's all for you, count it up
I don't know if I can be alone again
I don't know if I can be alone again
