

# In the Wild

## Alpine

North, south, east, west  
Take me there Leaving home today (go)  
Home is everywhere (oh) In the wild Taking off so young  
Freeing up space of mind  
Shall I take this slowly?  
Or run into the wild? In the wild Leaving home today (go)  
Home is everywhere (oh)  
North, south, east, west  
Leaving home today (go)  
Home is everywhere (oh)  
It's been too long
