

Lord Don't Make Me Do It

Lil Durk

Sometimes I get the urge to kill a bitch
And I ain't even violent
Thats why a nigga gotta plead the fifth
Sometimes it's good to stay silent
Lord don't make me do it x8
She steady threatening me with these court dates
Unfollow bitches from my insta
Thats why I'm single like I am
And I'll never be a Mr...
See my twenty steady breaking up my window
So i gotta chill, stay low in these Rentals
Just how he hit it, he 'gon make an example of me
Shit, and I gotta case pending (let's get it!)
Cause these hoes steady calling my ho
How this bitch steady breaking my code
Is it my finger prints from my 5s?
Or one of my stuck up ass hoes? Hold up let me think
Let me take a drink
Cause I don't really know if no one care what a motherfucker think
I'ma go crazy I'ma go crazy
And nobody sane
Sometimes I get the urge to kill a bitch
And I ain't even violent
Thats why a nigga gotta plead the fifth
Sometimes it's good to stay silent
Lord don't make me do it x8
Out of all your friends you the best
So I won't cheat on you for them that ain't my status
Fucking with these broke ass niggas
Don't know what cash is
I just spent like twenty on a car
I got twenty in glasses
What you mad at me for?
Bitch stop tripping like you ain't never had it before
And you 'gon give me that ass
One time you 'gon give me that work
Bitch get on my nerve
I'ma fuck all your friends to get easy
You mad why you tweaking?
Should've told the judge you '
gon let me see my kids every weekend
I do it cause I'm rich, I ain't really gotta reason

I'm packing my shit and I'm leaving
Sometimes I get the urge to kill a bitch
And I ain't even violent
Thats why a nigga gotta plead the fifth
Sometimes it's good to stay silent
Lord don't make me do it x8
