

You Remind Me of Something

R. Kelly

You remind me of something
I just can't think what it is You remind me of my jeep
I wanna ride it
Something like my sounds
I wanna pump it
Girl you look just like my cars
I wanna wax it
And something like my bank account
I wanna spend it baby It's something about your love that's got me going crazy
Baby you know I want you real bad
And girl I really like your freaky style, oh baby
How can I be down with you?
So get a little closer to my ride
I wanna get to know you lady
And hip me up on how to get inside you
Listen pretty baby I wanna roll it, roll it, roll it
Is all I wanna do for you baby
Girl it's something kind of sexy
Goin' on about you baby You remind me of my jeep
I wanna ride it
Something like my sounds
I wanna pump it
Girl you look just like my cars
I wanna wax it
And something like my bank account
I wanna spend it baby
You remind me of my jeep
I wanna ride it
Something like my sounds
I wanna pump it
Girl you look just like my cars
I wanna wax it
And something like my bank account
I wanna spend it baby Now I would like to take you on a ride tonight
Girl you know we'll have so much fun
And give you everything your body needs
Satisfaction guaranteed So pull up to my bumper and let the system sound
Girl, I bet cha' I can drive you crazy
And let me be the one to drop you off
Babe listen to me I wanna roll it, roll it, roll it
Is all I wanna do for you baby
Girl it's something kind of sexy

Goin' on about you You remind me of my jeep
I wanna ride it
Something like my sounds
I wanna pump it
Girl you look just like my cars
I wanna wax it
And something like my bank account
I wanna spend it baby You remind me of my jeep
I wanna ride it
And something like my sounds
I wanna pump it
Girl you look just like my cars
I wanna wax it
And something like my bank account
I wanna spend it baby Don't be alarmed
Don't be alarmed
I'm comin' through your door
I'm comin' through your door
I need you now
Turn down the lights babe
There's somethin' about this moment You remind me of my jeep
I wanna ride it
And something like my sounds
I wanna pump it
Girl you look just like my cars
I wanna wax it
And something like my bank account
I wanna spend it baby
You remind me of my jeep
I wanna ride it
Something like my sounds
I wanna pump it
Girl you look just like my cars
I wanna wax it
And something like my bank account
I wanna spend it baby
You remind me of my jeep
I wanna ride it
Something like my sounds
I wanna pump it
Girl you look just like my cars
