

Daddy's Little Girl

Frankie J

He drops his suitcase by the door
She knows her daddy won't be back anymore
She drags her feet across the floor
Tryna hold back time to keep him holding on
And she says
Daddy Daddy don't leave I'll do anything to keep you
Right here with me
Can't you see how much I need you
Daddy Daddy don't leave
Mommy's saying things she don't mean She don't know what she's talking about
Somebody hear me out
Father listen
Tell him that he's got a home and he don't have to go
Father save him
I would do anything in return
I'll clean my room
Try hard in school
I'll be good
I promise you
Father, Father
I pray to you
Now she hasn't slept in weeks
She don't want to close her eyes cause she's scared that he'll leave
They tried just about everything It's getting harder now
For him to breathe
And she says
Daddy Daddy don't leave
I'll do anything to keep you
Right here with me
Can't you see how much I need you
Daddy Daddy don't leave
The doctors are saying things they don't mean
They don't know what they talking about
Somebody hear me out Father (father) listen (listen) Tell him that he's got a home and he don't
have to go (don't have to go)
Father (father) save him
I would do anything in return
I'll clean my room Try hard in school
I'll be good
I promise you
Father, Father
I pray to you

Please don't let him go (don't let him go)
I'm begging you so (I'm begging you so)
There open his eyes
There ain't no more time
To tell him that I love him more
Than anything in the world
Is Daddy's little girl
Father (father) listen (listen)
Tell him that he's got a home and he don't have to go (don't have to go)
Father (father) save him
I would do anything in return
I'll clean my room
Try hard in school
I'll be good
I promise you
Father, Father
She was Daddy's Little Girl
Mmmmm Oh
