

# Fighting for Me

Riley Clemmons

I need the kinda love that  
Can outlast the night  
I need the kinda love that's willing to fight When the going gets tough  
And my strength's not enough  
I see You showing up like never before  
This battle for my heart  
You took on from the start  
You are the peace when my mind's at war  
And o-ohh You will never stop fighting for me  
When I can't fight for myself  
Every word is a promise You keep  
Cause You love me like nobody else  
You stand up for me  
In the darkest night  
When my faith is weak  
You're still by my side  
You will never stop fighting for me  
You will never stop fighting for me In the perfect timing  
You make all things right  
You paint a silver lining  
In this heart of mine When the going gets tough  
And my strength's not enough  
I see You showing up like never before  
This battle for my heart  
You took on from the start  
You are the peace when my mind's at war  
And o-ohh  
You will never stop fighting for me  
When I can't fight for myself  
Every word is a promise You keep  
Cause You love me like nobody else You stand up for me  
In the darkest night  
When my faith is weak  
You're still by my side  
You will never stop fighting for me  
You will never stop fighting for me Your love  
Is winning me over  
Your heart  
Is pulling me closer Your love  
Is winning me over  
Your heart  
Is pulling me closer You will never stop...

Fighting for me, fighting for me  
Every word is a promise You keep, oh, o-ohh You will never stop fighting for me  
When I can't fight for myself (when I can't)  
Every word is a promise You keep (oh, oh)  
Cause You love me like nobody else (nobody) You stand up for me (You stand up for me)  
In the darkest night (In the darkest night)  
When my faith is weak (yeah, yeah)  
You're still by my side (my side)  
You will never stop fighting for me (You will never stop)  
You will never stop fighting for me
