## Jimmy Eat World

Faintest snow keep falling, falling  
Hands around your waist  
Nameless, standing cold, standing cold Like a breath, like a breath  
Take in restraint like a breath  
My lungs are so numb from holding back Walk close to the fence  
Feel it hit your clothes  
Turn and smile nice  
Smile, say good night, say good night In a breath, in a breath  
Simple discourse breaks you clean...  
Simple discourse breaks you clean in half  
Regret to try it once  
But then you know it's your move  
Settle for less again  
Again
