

Syrup

Borgore

Borgore is my suggardaddy
Shhhhh

No talking, just sucking dick.

I don't share my cake,
You can try with Robin Thicke.

You want that syrup,
Need to make an affair.

Clap that booty, imma sponsor that the green spencer.

And them yoga classes,
So we can do some yoga.

The force is strong in that booty

Imma call it Yoda,

Imma call it Yoga-Zuna,

Imma call it Bickie.

Girl, I like you a lot,

And I think it's prick.

I want that syrup, I want it badly, I want it in my mouth when you are ready

I want that syrup, I want it badly, I want it in my mouth, I'm feelin thirsty

She want that syrup, she want it badly, I will supply it It will be mercy

She want that syrup, she want it badly, I will supply it, she's really thirsty
