

HotBoyZ (feat. Ski Mask the Slump God)

Tyla Yaweh

[Chorus: Tyla Yaweh]

In a wraith, I just caught a case
[?], had to keep that on my waist
On my face, I got that Johnny Dang
On my face, got Goyard on my waist
In a Wraith, I keep that on my waist
Ocean Drive, so I keep it MIA
Johnny Dang, I keep that in my cave
That's that blade, I feel like Gucci Mane [Verse 1: Tyla Yaweh]

I wake up in the morning, get my cake
I just downed a Henny to my face
I just think I'm Slump I'm in the gates
I'm leanin' side to side call it faded
On a roll, I'm callin' out the shots
If you wanna book me, yes it's 15 for a show
Watchu want? That's what she want some blow
She boot it up, yeah she always on the go

[Chorus: Tyla Yaweh & Ski Mask the Slump God]

On my face, I got that Johnny Dang
On my face, got Goyard on my waist
In a Wraith, I keep that on my waist
