

# Funny (Ellis Remix)

## Zedd & Jasmine Thompson

The curtains are closed now, nothin' to see  
But a dozen dying roses at our feet  
Your timing is perfect, ironic to me  
Showing up the moment that you shouldn't be, oh  
Last time I checked, you're the one that left  
Last words you said, that you couldn't care less  
It's funny how you miss me  
More than you could ever love me  
How you couldn't give me everything  
And now you want it from me  
Yeah, it's funny how it's different  
Now that I got somebody  
Yeah, it's funny, oh  
Yeah, it's funny (funny, funny)  
(How you answer, answer, answer)  
(Cause his lips seem, lips seem, lips seem)  
Both my hands are on his body  
Yeah, it's funny how it's different  
Now that I got somebody  
Yeah, it's funny (yeah, it's funny, oh)  
Sending a message through mutual friends  
It's like I'm talking to you using them  
You heard I was happy and I heard you're not  
I guess freedom didn't free you like you thought, oh  
Last time I checked, you're the one that left  
Last words you said, that you couldn't care less  
It's funny how you miss me  
More than you could ever love me  
How you couldn't give me everything  
And now you want it from me  
Yeah, it's funny how it's different  
Now that I got somebody  
Yeah, it's funny, oh  
Yeah, it's funny (funny, funny)  
(How you answer, answer, answer)  
(Cause his lips seem, lips seem, lips seem)  
Both my hands are on his body  
Yeah, it's funny how it's different  
Now that I got somebody  
Yeah, it's funny (oh)  
It's funny how you miss me  
More than you could ever love me  
How you couldn't give me everything  
And now you want it from me  
Yeah, it's funny how it's different  
Now that I got somebody  
Yeah, it's funny (yeah, it's funny) ooh  
Yeah it's funny how you're calling  
Couldn't answer if I wanted

'Cause his lips are on my lips  
And both my hands are on his body  
Yeah, it's funny how it's different  
Now that I got somebody  
Yeah, it's funny (yeah, it's funny) oh Yeah, it's funny (Funny, funny)  
(How you answer, answer, answer)  
( 'Cause his lips seem, lips seem, lips seem)  
Both my hands are on his body  
Yeah, it's funny how it's different  
Now that I got somebody  
Yeah, it's funny (yeah, it's funny, oh) Who's laughing now? Who's laughing now? Oh  
Who's laughing now? Who's laughing now? Oh
