

sweetener

Ariana Grande

[Chorus]

When life deals us cards
Make everything taste like it is salt
Then you come through like the sweetener you are
To bring the bitter taste to a halt[Post-Chorus]
And then you get it, get it, get it, get it (ayy)
Hit it, hit it, hit it, hit it (ayy)
Flip it, flip it, flip it
You make me say oh, oh (sheesh, sheesh)
Twist it, twist it, twist it, twist it
Mix it and mix it and mix it and mix it
Kiss it, kiss it, kiss it
You make me say oh, oh (sheesh, sheesh)

[Verse 1]

I like the way you lick the bowl (sheesh)
Somehow your method touches my soul (sheesh, yeah)
It lifts me up to heights unknown (ayy)
So when they ask, "How's life?" I go (sheesh, sheesh)[Chorus]
When life deals us cards

Make everything taste like it is salt
Then you come through like the sweetener you are
To bring the bitter taste to a halt[Post-Chorus]
And then you get it, get it, get it, get it (ayy)
Hit it, hit it, hit it, hit it (ayy)
Flip it, flip it, flip it
You make me say oh, oh (sheesh, sheesh)
Twist it, twist it, twist it, twist it
Mix it and mix it and mix it and mix it
Kiss it, kiss it, kiss it
You make me say oh, oh (sheesh, sheesh)
[Verse 2]

Your mama sent us horoscopes (sheesh)
Had so much fun watching them unfold (sheesh, yeah)
You said she like me, I smiled, I know (ayy)
So when they ask, "How's life?" I go (sheesh, sheesh)[Chorus]
When life deals us cards

Make everything taste like it is salt
Then you come through like the sweetener you are
To bring the bitter taste to a halt[Post-Chorus]
And then you get it, get it, get it, get it
Hit it, hit it, hit it, hit it
Flip it, flip it, flip it

You make me say oh, oh (sheesh, sheesh)
Twist it, twist it, twist it, twist it
Mix it and mix it and mix it and mix it
Kiss it, kiss it, kiss it
You make me say oh, oh (sheesh, sheesh)[Bridge]
And then we lay it back, talk the rest of the night
Things that we can light make me say oh, oh (sheesh, sheesh)
Talking 'bout what you wanna do, whether it's wrong or right
I am followin' you 'cause you make me say oh, oh (sheesh, sheesh)
Said I don't know what I'd do without you in my life, it'd be so sour
I'm hoping that everybody can experience what we have in ours[Chorus]
When life deals us cards
Make everything taste like it is salt (sheesh, sheesh)
Then you come through like the sweetener you are
To bring the bitter taste to a halt (sheesh, sheesh)[Post-Chorus]
And then you get it, get it, get it, get it
Hit it, hit it, hit it, hit it
Flip it, flip it, flip it
You make me say oh, oh (sheesh, sheesh)
Twist it, twist it, twist it, twist it
Mix it and mix it and mix it and mix it
Kiss it, kiss it, kiss it
You make me say oh, oh (sheesh, sheesh)
You make me say oh, babe
