

Nature of the Beast

My Darkest Days

Your needs need attention
I'm blinded by the truth
Let me release the tension
It's taken hold of you It's only natural
To free the animal
Locked up inside The nature of the beast is
You want it
Nature of the beast is
I do too
Let's unleash and cut the creature loose
It's the nature of the beast in you
You wrap yourself around me
You're tightening the noose
Trapped in the cage surrounding
The sinful side of you It's only natural
To free the animal
Locked up inside
The nature of the beast is
You want it
Nature of the beast is
I do too
Let's unleash and cut the creature loose
It's the nature of the beast in you It's only natural
To free the animal
Locked inside you...
The nature of the beast is
You want it
Nature of the beast is
I do too
Let's unleash and cut the creature loose
It's the nature of the beast in you The nature of the beast is
You want it
Nature of the beast is
I do too
Let's unleash and cut the creature loose
It's the nature of the beast in you
