

Lullaby

Grizzly Bear

Glass of gin and a folding chair
Sitting out by the wading pool
Chlorine blueRush of wind passing over me
Restless nights, restless nights
Restless nightsChin up, cheer up
Chin up, cheer up, chin up
Chin up, cheer up
Chin up, cheer up, chin up
Chin up, cheer up
Chin up, cheer up, chin up
Chin up, cheer up
Chin up, cheer up, chin upMy love's another kind
My love's another kind
My love's another kindChin up, cheer up
Chin up, cheer up, chin up
Chin up, cheer up
Chin up, cheer up, chin up
Chin up, cheer up
Chin up, cheer up, chin up
Chin up, cheer up
Chin up, cheer up, chin upMy love's another kind
My love's another kind
