

Crazy Beautiful Life

Kesha

I'm in love all right
With my crazy beautiful life
With the parties, the disasters
With my friends all pretty and plastered
Every night we're down to go out
Wakin' up on a different couch
'Til the next night, on the next flight
Yeah, I guess we're doing alright Oh oh oh
We're fallin' in love
Oh oh oh
'Til the sun's comin' up
Oh oh oh
Just livin' the life
Oh oh oh
Every single night we fight
To get a little high on life
To get a little something right
Something real
At least we try
Time after time
Try dodging all the douchebag guys
Try trading all the wasted times
For something real
In this crazy life I just hope some people see
There's nothing that I'm trying to be
Let me just stop all the shit talk
I know I'm the new bitch on the block
I've been through my sketchy phases
Been broke, been a shitty waitress
But I'm not now, guess it worked out
Got here my running my mouth
Oh oh oh
We're fallin' in love
Oh oh oh
'Til the sun's comin' up
Oh oh oh
Just livin' the life
Oh oh oh Every single night we fight
To get a little high on life
To get a little something right
Something real
At least we try

Time after time
Try dodging all the douchebag guys
Try trading all the wasted times
For something real
In this crazy life Every single night we... Every single night we fight
To get a little high on life
To get a little something right
Something real
At least we try
Time after time
Try dodging all the douche bag guys
Try trading all the wasted times
For something real
In this crazy life Oh oh oh
Oh oh oh
Oh oh oh
Oh oh oh
