

Marlene

John Hiatt

Marlene, Marlene
When you call my name
Marlene, Marlene
Like the summer rain
Like the honey dew
Drippin' all in my brain
Marlene, Marlene
I'm in love with you You know I never been satisfied
You make the blues just run and hide
I don't know how many times I tried
To have a good girl by my side Well I can mumble and I can squawk
You got me talkin' that baby talk
I tried to run but I can't even walk
Marlene, Marlene
Marlene, Marlene
If it was up to me
You know you'd ride my train
Back to Tennessee I can't change
I don't think I'm doomed
Marlene, Marlene
I give it all to you You know I never been satisfied
You make the blues just run and hide
I don't know how many times I tried
To have a good girl by my side Well I can mumble and I can squawk
You got me talkin' that baby talk
I tried to run but I can't even walk
Marlene, Marlene
Marlene, Marlene
When you call my name
Marlene, Marlene
You're like the summer rain
oh like a honey dew
A drippin' all in my brain
Marlene, Marlene
I'm in love with you
