

Happy

Ashanti

Woo, ha ha right back at ya.
it's the world's most talented record label
Murder Inc.
And that angelic voice you hear in the background,
oh that's our new princess of Hip Hop in R&B yo
Miss Ashanti. Boy you fill me with so much joy
You give whatever it is I need
My love, here to stay, won't ever leave
So glad that you fell in love with me My love is so good
That I wouldn't be without ya babe
Couldn't see me without ya babe
My love is so good
That I wouldn't be without ya babe
Couldn't see me without ya baby
All my life I've been searchin' for ya
Every day
So glad that I found ya boy
All my life I've been feelin' for ya
Every day
I'm so happy baby Boy you got me feelin' so good
You take all my pain away from me
Without you around I couldn't be
And I know you fell in love with me My love is so good
That I wouldn't be without ya babe
Couldn't see me without ya babe
My love is so good
That I wouldn't be without ya babe
Couldn't see me without ya baby
All my life I've been searchin' for ya
Every day
So glad that I found ya boy
All my life I've been feelin' for ya
Every day
I'm so happy baby I'm so happy that I fell in love
I thank God he sent you from above
I'm so happy that I found someone
And I thank God he sent you from above All my life I've been searchin' for ya
Every day
So glad that I found ya boy
All my life I've been feelin' for ya
Every day
I'm so happy baby All my life I've been searchin' for ya

Every day
So glad that I found ya boy
All my life I've been feelin' for ya

Every day
I'm so happy babyHmMMM
That I wouldn't be without ya babe
I couldn't see me without ya babe

HmMMM
That I wouldn't be without ya babe
