

FHKD (feat. Kill J)

HONNE

Don't fight it, girl
Just give it time, and some kind of chance to grow
We're onto something beautiful, oh oh
Don't fight it, girl
Just give it time, and some kind of chance to grow
Cause we're onto something beautiful, oh oh Fight it, hide it, kill it, deny it
Don't fight it, don't hide it, don't kill it, don't deny it
Don't fight it, don't hide it, don't kill it, don't deny it
Don't fight it, don't hide it, don't kill it, don't deny it
Don't fight it, don't hide it, don't kill it, don't deny it
Don't fight it, don't hide it, don't kill it, don't deny it
Don't fight it, don't hide it, don't kill it, don't deny it
Don't fight it, don't hide it, don't kill it, don't deny it
Deny it
Deny it
Don't fight it, girl
Just give it time and some kind of chance to grow
We're onto something beautiful, oh oh
Don't fight it, girl
Just give it time and some kind of chance to grow
Cause we're onto something beautiful, oh oh Don't fight it, don't hide it, don't kill it, don't deny it
Don't fight it, don't hide it, don't kill it, don't deny it
Don't fight it, don't hide it, don't kill it, don't deny it
Don't fight it, don't hide it, don't kill it, don't deny it
Don't fight it, girl
Just give it time and some kind of chance to grow
We're onto something beautiful, oh oh
Don't fight it, girl
Just give it time and some kind of chance to grow
Cause we're onto something beautiful, oh oh
