

# Shatter

Meredith Brooks

Prick of a pin  
No blood on me  
I've been tested  
Total wasted  
In too deep  
To the zone  
I retreat  
What doesn't kill you  
Makes you strong eventually  
Lay to my skin  
Blurring the edge  
Seven doves are waiting for me up ahead  
I just breathe in  
I just breathe out  
I've taken every hairpin curve by now  
I may crack  
But I'll never shatter  
I may crack  
But it doesn't matter  
I may crack  
But I'll never shatter  
I may crack Promise the world  
Dropped in a pool  
Was it fun  
Did you enjoy acting so cruel  
Well here's the thing  
Still have my head  
I stumble hard but I'm not sleeping in your bed  
Saved by the sun  
No shame on me  
Come out screaming it's the only time we're free  
I just breathe out  
I just breathe in  
I ride the wave until I come again  
I may crack  
But I'll never shatter  
I may crack  
But I'll never shatter  
I may crack  
But I'll never shatter  
I may crack But I'll never shatter  
Cause I still have a secret

In the dark I keep it close  
I still have a secret no one knows I may crack, but I'll never shatter  
Just erased it over and over  
I may crack, but it doesn't matter  
In the darkness, I'll never shatter Shake down  
Twisted in time  
It's amusing that I'm feelin' fine  
I just breathe in, I just breathe out  
I may crack but I'll never shatter Cause I still have a secret  
In the dark I keep it close  
I still have a secret no one knows  
In the dark I keep it close I may crack  
But I'll never shatter  
I may crack  
But it doesn't matter  
I may crack  
But I'll never shatter  
I may crack
