

# Kings & Queens (Acoustic)

Ava Max

If all of the kings had their queens on the throne  
We would pop champagne and raise a toast  
To all of the queens who are fighting alone  
Baby, you're not dancing on your own  
Can't live without me, you wanna, but you can't, nah-nah-nah  
Think it's funny, but honey, can't run this show on your own  
I can feel my body shake, there's only so much I can take  
I'll show you how a real queen behaves  
Oh, no damsel in distress, don't need to save me  
Once I start breathing fire, you can't tame me  
And you might think I'm weak without a sword  
But if I had one, it'd be bigger than yours  
If all of the kings had their queens on the throne  
We would pop champagne and raise a toast  
To all of the queens who are fighting alone  
Baby, you're not dancing on your own  
Disobey me, then baby, it's off with your head  
Gonna change it and make it a world you won't forget  
Oh, no damsel in distress, don't need to save me  
Once I start breathing fire, you can't tame me  
And you might think I'm weak without a sword  
But I'm stronger than I ever was before  
If all of the kings had their queens on the throne  
We would pop champagne and raise a toast  
To all of the queens who are fighting alone  
Baby, you're not dancing on your own  
In chess, the king can move one space at a time  
But queens are free to go wherever they like  
You get too close, you'll get a royalty high  
So breathe it in to feel the life  
If all of the kings had their queens on the throne  
We would pop champagne and raise a toast  
To all of the queens who are fighting alone  
Baby, you're not dancing on your own  
Oh-oh-oh-oh-oh-oh, oh-oh  
Oh-oh-oh-oh-oh-oh, oh-oh
