

A Winter's Tale

AFI

A chilling silence
A world of violets
My breath materialized again
Immaculate
Inanimate
A comfort cutting time, I see
A string of white lights Forever walking through December
(Forever rise)
Forever longing for
A sign of life, a bringer of light
Forever wandering together
Through a world of violets
Ice everlasting
A full moon casting
A purple veil enshrouding all, I
Perambulate
Somnambulant
A solace piercing time, I see
A string of white lights Come on
Forever walking through December
(Forever rise)
Forever longing for
A sign of life, a bringer of light
Forever wandering together
Through a world of violets
If only for one night
If only for one night
If only for one night remember
If only for one night
If only for one night
If only for one night remember
If only for one night
If only for one night
If only for tonight together
Go Forever walking through December
(Forever rise)
Forever longing for
A sign of life, a bringer of light
Forever wandering together
Through Forever walking through December
(Forever rise)
Forever longing for

A sign of life, a bringer of light now
Forever wandering together
Through a world of violets
