

# Mr. & Mrs. Used to Be (feat. Iris DeMent)

John Prine

Now we go our seperate ways Mr and Mrs Used To Be  
For oh so long I've loved you I know that you loved me  
    But time moved on and we grew far apart  
It's not the way I wanted but the judge has set you free  
    Although you're still the first one in my heart  
    I just don't understand it how people such as we  
Could know the love that we have known but somehow disagree  
    I hope that you'll be happy the same dear you from me  
Now we go our seperate ways Mr and Mrs Used To Be  
    At first it was like heaven on earth for you and me  
    But heaven's sure has changed a lot since then  
I can't put all the blame on you for some belongs to me  
    But started out at heaven reached an end  
I guess we could have made it but pride stood in our way  
For love to live it must have worked we never seemed the same  
    And so I say goodbye now kiss the kids for me  
Now we go our seperate ways Mr and Mrs Used To Be
