

# Second One to Know

Chris Stapleton

First you stole my heart  
That was the easy part  
Don't ever tell me that crime don't pay  
Got to understand  
???Don't put my love on your back burner  
Never let anything that hot get cold  
And if you ever change your mind  
Wanna leave my love behind  
Just let me be the second one to know  
Yeah, the second one to know  
??? my right hand  
Sweat of the Promised Land  
All I ask from you  
Is to treat me the same way, too  
Cause I don't want to lose this thing we have
