

# Let Me In

## Griffin House

She's out of my league  
And that's the kind of girl I need  
I am the underdog  
But I'm about to take the lead  
You can't worry about the others  
They can't turn my head  
And when I'm with another I wish it was you instead. I'm not trying to force it  
But I've got one thing on my mind  
I'm not going anywhere soon  
I'm on a mission baby I've got the time Let me in, might as well be with you  
Let me in, I know how to make you miss me.  
I got what you need  
No hesitation when I bring  
I'm your man  
It's a promise and a ring  
I got a secret for you, if you promise not to tell  
Sometimes you feel a little closer to heaven when you raise a little hell. Never give up on desire  
You know how long I've waited around  
You're only adding fuel to the fire  
I won't be leaving till I wear you out Let me in, I have got your number  
Let me in, We're not getting any younger You ain't got worry about the others  
They could never be this real  
And when I'm with another you'll remember how I feel Let me in, knock it out with just one  
touch  
Let me in, I'm not asking for too much  
I know how to make you miss me  
You'll feel it when you kiss me You'll feel it with me  
You'll feel it with me
