Warpaint

Breathe in me, breathe
Breathe in me, breathe You got me, so sick
Spinning, dizzy
You got me, so sick
Spinning, dizzy
You got me, so sick
Spinning, dizzy
You got me, so sick
Spinning, dizzy
You, you, you
Gimme more, gimme more
Gimme more, I haven't had this before
Been holding out for this one
Holding out for love
Not changing my mind so much
And still, and still You got me, so sick
Spinning, dizzy
You got me, so sick
Spinning, dizzy
You, you
Gimme more, gimme more
Gimme more, I haven't had enough
Gimme more, gimme more
Gimme more, I haven't had this before
Been holding out for this one
Holding out for love
Not changing my mind so much Gimme more, gimme more
I haven't had enough
